## THE FIRST ANNOUNCEMENT

### About: International Scientific Conference Organization in 2024

**To:** Valued colleagues, scientists

To enhance and expand international cooperation activities in the field of science and technology, in December 2024 on the occasion of the 65th anniversary of its establishment, the Bac Ninh Sport University, Vietnam will coordinate with the Shanghai University of Sport, China and the College of Education - Seoul National University, Korea to co-organize the International Scientific Conference with the theme "*Economic Development in Sport: Innovation to Meet the Needs of Sustainable Development*". At the Conference, there will be reports and presentations from many prestigious international experts.

The Conference will be an opportunity for domestic and international scientists to meet, exchange and publish new research results, making important contribution to the overall development of international sports, as well as strengthening relationships between domestic and international experts in the field of sports.
